Daisy Karam-Read, "The Love Affair Continues" - The book is a collection of personal observations on Mississippi and the Deep South. Daisy moved to Mississippi from New York City. Her writings are candid reflections about the people and things she's seen, heard and felt over the past several years.

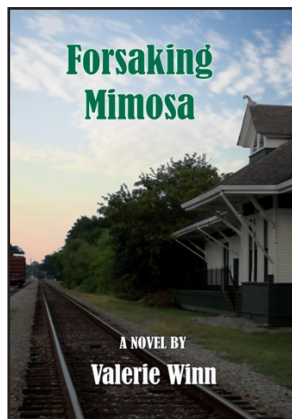

Judy Davies, "Poetic Images" - Creative writing and poetry fit well with her other artistic pursuit - music. Composing poetry and short prose on the background of a career as a professional musician, Judy finds that each inspires the other.

Valerie Winn, "Forsaking Mimosa" - Local author and former newspaper editor has first book published. Max Brinkmann resents his life, his religion, and his father—the man who sends his son to a Catholic girls' boarding school.
